RECOGNIZING THE 140TH ANNIVERSARY OF THE BIRTH OF MAHATMA GANDHI

SPEECH OF

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 14, 2009

Mr. KUCINICH. Mr. Speaker, I rise in strong support of this resolution. I join my colleagues in celebrating the amazing life and accomplishments of Mahatma Gandhi. Through his fearless leadership in promoting civil rights and justice for the people of India, he demonstrated the power of non-violent civil disobedience to effect change. He has contributed immeasurably to the legacy of peace.

While I wholeheartedly support this resolution, the best way for this body to recognize Gandhi's accomplishments is to stop funding the wars in Iraq and Afghanistan.

Stability in Iraq and Afghanistan cannot be achieved as long as war and occupation are the tools with which we purport to build peace. When the U.S. kills innocent civilians and destroys families, homes and communities, the results often incite fear and rage. After more

than 8 years of war in Afghanistan and more than 6 years of war in Iraq it is clear that lasting peace and stability cannot emerge from such beginnings.

Rather, stability is best fomented through the seeds of peace such as upholding human rights, promoting social and economic justice, and ensuring education, employment and access to basic goods and services. Regrettably, the billions of dollars of funding that this body has dedicated to the wars have devastated Iraq and Afghanistan. If this body wants to see peace and stability in Iraq and Afghanistan, the U.S. must stop engaging in policies of aggression.

I strongly support this bill, the powerful accomplishments of the great Mahatma Gandhi, and urge my colleagues to honor his vision.

FORT MASSAC

HON. JOHN SHIMKUS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 15, 2009

Mr. SHIMKUS. Madam Speaker, I rise today to mark the unveiling of a commemorative mural at Fort Massac in Massac County, Illinois.

Fort Massac was built on the bank of the Ohio River in 1757 by the French during the French and Indian War. In 1794, during the Northwest Indian War, President George Washington ordered the fort be rebuilt. For the next 20 years Fort Massac protected U.S. military and commercial interests in the Ohio Valley.

In the fall of 1803, the Lewis and Clark Expedition stopped and recruited two volunteers at Fort Massac as they journeyed west. The Fort Massac site was designated a State Park in 1908, becoming the first Illinois State Park.

Every October, the Fort Massac Encampment draws 80,000 visitors to re-create the lifestyles and atmosphere of the late 1700s. As a part of this year's celebration on October 17th and 18th, the Fort Massac Museum is unveiling a mural depicting a restored cabin from the early 1800s. More than 100,000 visitors are expected to attend the celebration to take part in the mural unveiling.

I want to congratulate the volunteers, supporters, and everyone else who helped make this mural and museum such a great success. I wish them my best as they open this new exhibit to offer a glimpse into the fascinating history of the United States and Illinois.

IMMIGRATION LAWS WORK

HON. LAMAR SMITH

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 15, 2009

Mr. SMITH of Texas. Madam Speaker, the New York Times once again misses the mark with its latest immigration editorial, "Wrong Paths to Immigration Reform."

The Times wrongly suggests that the 287(g) program should be used only for serious criminals.

As one of the authors of the legislation that created 287(g), I can testify that Congress created 287(g) to let state and local law enforcement officials help enforce all immigration laws, not a select few.

When it comes to Sheriff Arpaio, the Times laments that his "raids use minor infractions like broken tail lights as pretexts for mass immigration arrests."

In fact, minor infractions can ensnare major bad guys. As the Times itself reported in another story, accused Dallas terrorist Hosam (Maher Husein) Smadi was pulled over for "a broken tail light" before he was arrested for terrorist activities.

This is a powerful reminder that enforcing immigration laws against all those who violate them can prevent crime.

RECOGNIZING THE AMERICAN RED CROSS OTTAWA COUNTY CHAPTER ON 100 YEARS

HON. PETER HOEKSTRA

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 15, 2009

Mr. HOEKSTRA. Madam Speaker, I rise here today to congratulate Ottawa County's Red Cross on such a significant milestone—100 years serving Ottawa County.

The American Red Cross of Ottawa County, a humanitarian organization led by volunteers and guided by its Congressional Charter and the Fundamental Principles of the International Red Cross Movement, provides relief to victims of disasters and helps people prevent, prepare for and respond to emergencies.

The organization has helped people throughout the world, but closer to home it has provided residents of Ottawa County with tremendous help, whether it is emergency relief, offering health and safety classes or assisting active duty military personnel.

It is rightfully proud of its record in preventing and relieving suffering, offering community assistance and offering compassionate services across the board.

Most notably, it has facilitated in giving people the gift of life through countless blood drives every year. It is amazing that it is able to do all that it does with no taxpayer dollars, but by the generous donations of time, money and blood.

Moving into the next 100 years of dedication to Ottawa County, ongoing fundraising and community partnerships are crucial to the Red Cross's ability to serve.

Madam Speaker, I am proud to honor the American Red Cross Ottawa County on its celebration of a century of success.

RECOGNIZING 10TH ANNIVERSARY OF THE ATLANTIC INTRACOASTAL WATERWAY ASSOCIATION

SPEECH OF

HON. MIKE MCINTYRE

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 14, 2009

Mr. MCINTYRE. Mr. Speaker, I rise today to honor the Atlantic Intracoastal Waterway Association, Date which has been fighting on behalf of our great Atlantic marine highway for 10 years.

The AIWA was formed in 1999 to address the declining condition of the Atlantic Intra-

coastal Waterway, running along the eastern seaboard from Virginia to Florida. A persistent lack of maintenance funding has resulted in severe shoaling of the waterway through many sections, rendering the waterway impassable at times. The AIWA has been a strong advocate for the Atlantic Intracoastal Waterway and the Association has earned the title "Voice of the Waterway".

I am pleased to have had the opportunity to work closely with members of the AIWA over the years to secure funding to maintain North Carolina's portion of the waterway. The resolution on the floor before us today officially recognizes the contribution made by the Atlantic Intracoastal Waterway Association and I am pleased to rise in strong support of it. I look forward to continuing to work with the AIWA and my colleagues in Congress to support the AIWA and to secure funding to dredge the waterway to its full authorized depth.

GASKIN CITY MISSIONARY BAPTIST CHURCH

HON. JOHN SHIMKUS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 15, 2009

Mr. SHIMKUS. Madam Speaker, I rise today to recognize Gaskin City Missionary Baptist Church, which celebrated its 100th anniversary this past August.

Pastor Andrew Yates and the congregation of 160 held its first service on August 21, 1909. Although the congregation is smaller today, its members still make an impact on both the local community and the mission field worldwide. Their commitment to service can be seen in many ways, such as singing at local care centers and retirement homes and sending pens to Botswana that are used to copy chapters from the Bible.

I would like to congratulate the members of Gaskin City Missionary Baptist Church for reaching this milestone and wish them a blessed and joyous celebration as they mark 100 years of service to God and their community, both at home and around the world.
